

Diversity Statement

Hackney CVS is committed to promoting equality and diversity in all aspects of its work

1. We recognise that many groups of people within society are likely to suffer disadvantage, harassment or discrimination in many aspects of their lives, thereby devaluing them and denying their basic rights.

2. We aim to combat such discrimination and to actively seek within our organisation's Executive Committee and membership to extend where possible opportunities for people affected by discrimination.

3. We will ensure equality of opportunity through employment, service delivery and management structures. The provision of resources, training and services to implement equality of opportunity will be a priority within the organisation.

4. We seek to raise consciousness of the various forms of discrimination and to promote good practice within the organisation, its Executive Committee and membership.

5. All forms of discrimination, abuse or harassment within the organisation will be regarded as serious disciplinary offences and dealt with in accordance with the disciplinary procedures.

This statement is a summary of Hackney CVS' Diversity Policy which elaborates on the above statement and which is available on request.
