

ENHANCING NEIGHBOURHOOD WORKING

Neighbourhoods

**An opportunity for Multidisciplinary Team Members
and wider Neighbourhoods workforce and
volunteers to come together to share learning**

OVERVIEW

We are offering bespoke learning opportunities to learn with, and from, fellow Neighbourhood colleagues. We know there is a great variety of people involved in Neighbourhoods & MDMs. The overall aim is to develop a shared set of practices to inform our joint working moving forward.

Your feedback will inform and shape the wider Neighbourhoods programme as it evolves.

WHAT'S ON OFFER?

You will be able to attend a series of interactive online Neighbourhood Seminars and a system wide reflection session.

NEIGHBOURHOODS WORKING SEMINARS

To be convened 7th-19th September (all dates & times on sign up form below)

90 minute online interactive seminars that focus on building strong team dynamics within a multi agency system. You can attend one or all seminars depending on your interests. The sessions include;

- Working with change & ambiguity
- Understanding and navigating power dynamics
- The Neighbourhood approach to QI
- Making Meetings Work
- Producing the best solutions together

SYSTEM WIDE REFLECTION SESSIONS

Online interactive 90 minute session.

26 September 12:30-14:00 & 27 September 12:30-14:00

For people at all levels interested in the learning of the Neighbourhood Working Seminars.

An opportunity to share reflections, explore, and give feedback on any challenges and learning so far. This will feed into the development of the Neighbourhoods Workforce Plan.
