One-to-one support

Hackney CVS's Organisational Development team can help with:

- Setting up new community groups (CIO, Not-for-profit company or CIC).
- Traditional fundraising (trusts and foundations).
- Online fundraising and crowdfunding.
- Governance.
- Policies and procedures.
- Organisational health checks.
- Monitoring and evaluation.
- Communications and marketing.
- Join a network to influence local strategies.
- Linking with other organisations to form a partnership.

For further information, email Makbule:

Makbule.Gunes@hcvcs.org.uk

Fundraising support service

Hackney CVS's Organisational Development team can:

- Help you identify existing and/or emergency funding opportunities suitable for you.
- Help you develop your project idea into a funding application.
- Help you develop your project idea into a funding application.
- Support organisations coming together as a partnership to bid for funding.
- Proof-read applications and their supporting documents;
- Provide you with comments on how to make your applications meet the guidelines and criteria of funders.

Please note: For comments and feedback on your individual grant application, you must allow 5 working days for the draft to get back to you.

For further information, email:

Makbule.Gunes@hcv.org.uk

One-to-group support

Partnership and collaboration work has become the mantra in the voluntary and community sector in recent years.

We are hoping to see more partnerships form in Hackney's voluntary sector and are offering 5 free one-to-group sessions to help you get started.

In an advisory capacity, a member of our OD team will be able to:

- Help you identify existing and/or emergency funding opportunities suitable to apply for as a partnership.
- Take you through the pros and cons of partnership and collaboration.
- Take you through the steps to getting started with collaborative work if you are starting a new collaboration.
- Share the good practice in partnership work.

Please note: the responsibility for arranging and hosting those support sessions is with the groups themselves to nominate a lead organisation to book the time with us. For further information, email:

Makbule.Gunes@hcvcs.org.uk

Workshops and events

Meet the funder (*exclusive to our members*): We organise regular meet the funder sessions per year to allow you an opportunity to listen to the funders' grant managers about their most recent funding programmes.

These give you the opportunity to ask any questions you may have. Stay tuned for the next session.

Satisfaction survey: As part of our commitment to continual improvement, we would like to understand how satisfied you are with our services and how we can better support your work and your objectives in the future. It's also a chance to let us know about which training you may need in the future. Complete survey:

<http://tinyurl.com/hsurveyss>

Mailing lists: We have a dedicated training and events mailing list which we use to send you the latest training opportunities available.

Subscribe here: <http://tinyurl.com/hsubscribe>
